BRAND NEW SKATEHUT CLOTHING DROP!

Posted in [Fashion](#), on 4th February 2020

We're only a month into 2020 and there are already plenty of new products to get excited about at SkateHut!

One of the newest and coolest changes that we are very pleased to announce is our brand new line of SkateHut clothing - available now. Below are some comfortable and slick new designs for you to fill your wardrobe with. Feast your eyes on these!

SKATEHUT WORLDWIDE & 3D STACKED T-SHIRTS

Both of the 3D Stacked and the Worldwide t-shirts come in adult and kids sizes. With a vibrant logo that cuts through the minimalist design. It ensures that even the youngest of skaters can still rep their favourite skate shop.

LONG SLEEVE T-SHIRTS

For colder months we then have two long sleeve tees which adhere to the more classic design when it comes to SkateHut merch, available in either black or white.

BEANIES

Now for the most important item in the new collection for this time of year. We have several beanies available that will keep your head nice and toasty whilst we wait for Spring to arrive. These high-quality head-warmers are available in black, red and mustard as well as **other colours**.

SKATEHUT ARC T-SHIRTS

There are also some black and white arc designs available in all sizes for just £14.99, a great deal for some killer tees.
