## Mongoose Legion L80 BMX

The Legion L80 is the L18's older brother! A full size BMX with 20" wheels, the L80 features a solid 4130 Chromoly frame, with tapered Hi-Ten Steel forks and a Chromoly 8.75" bar. The 3 piece tubular chromo crank and 25T steel chain ring make for easy pedalling, whilst the 9T cassette driver provides better control when riding fakie. One of the top dogs of the Legion series, the L80 also comes in a sweet paint splatter colourway!
